

LITHIUM 2018

PERTH
27-28 JUNE

#lithium2018

About the conference

Lithium is the metal of the decade. In sanguine recognition of this fact, Murdoch University and the AusIMM, in partnership, are proud to announce the initiative to host a bespoke conference covering the entire life-cycle of this unique element.

Over the two-day conference, global experts from both industry and academia will share their knowledge, views and predictions of this growing phenomenon of evolution from mysterious to indispensable metal.

This conference will pragmatically focus on the successes, the challenges, the technical evolution, the end usage and the future of lithium.

Those attending the conference will walk away with an increased understanding of the metal, its production and the market from both the speakers and their fellow delegates.

This conference will be of interest to producers, financiers, investors and end-users. Ensure your attendance, and be right up-to-date with the latest developments.

Seeking abstracts on a broad range of topics including:

- Exploration and Geology
- Mineralogy, Hard Rocks vs Brines vs Other
- Metallurgy and Processing
- Investment, Risk and Economics
- Lithium Applications (present and future)
- Recycling and Safety
- Environmental

Abstract submission

Please submit an abstract, not exceeding 300 words, in English, to the Lithium 2018 Publishing Coordinator, Claire Stuart.

Abstracts that are accepted by the organising committee will be subject to peer review.

The selection criteria include relevance to the conference theme, accuracy and originality of ideas, significance of the contribution and quality of presentation. All accepted abstracts will be published in the conference program and presented at conference technical sessions. All presenting authors are required to pay and attend the conference to present their abstract.

For further information regarding abstract submission please contact:

Claire Stuart
Coordinator, Publishing
Telephone: +61 3 9658 6127
Email: cstuart@ausimm.com.au

Venue

Murdoch University
90 South Street
Murdoch
Western Australia 6150
